PHNOM PENH, CAMBODIA ■ NOVEMBER 15-16, 2026

A Gateway to International Francophone Markets

In November 2026, the Ministers' Council on the Canadian Francophonie (MCCF) will lead a delegation of Canadian businesses to FrancoTech, the economic component of the Francophonie Summit. This mission provides an opportunity for businesses to diversify their markets and develop business relations within an international Francophone economic network.

Results-oriented, FrancoTech offers targeted meetings with policymakers, investors, government officials, international organizations and potential partners. During the 2024 edition, more than a thousand business meetings were organized in just two days.

Funding may be available to eligible businesses to offset a portion of the costs associated with the mission.

Why take part?

- **Diversify your markets**
Explore opportunities in a Francophone geopolitical setting that is brimming with business potential.

- **Network internationally**
Meet partners, institutions, investors and policymakers from around the globe.

- **Innovate and collaborate**
Turn connections into tangible outcomes: business leads, letters of intent, pilot projects and partnerships.

- **Invest in the future**
Discover the emerging technologies and innovations behind the social and economic prosperity of tomorrow.
